

Edugates Parent Partnership Charter (EPPC)

1. Introduction

At Edugates Integrated School, we believe that the family and the school are partners in nurturing the intellectual, moral, and spiritual development of every child. Education in Islam is not limited to the classroom; it is a shared responsibility between parents, teachers, and the community.

The Edugates Parent Partnership Charter (EPPC) establishes a framework of mutual respect, cooperation, and shared responsibility between the school and parents. Through this partnership, we aim to develop students who are academically capable, morally upright, spiritually conscious, and socially responsible.

2. Vision of the Partnership

To create a **collaborative home-school environment** where parents and educators work together to nurture children who embody:

- ☑ Iman (Faith)
- ☑ Akhlaq (Good Character)
- ☑ Ilm (Knowledge)
- ☑ Adab (Respect and Discipline)
- ☑ Responsibility towards society and the Ummah

3. Islamic Foundation of the Charter

This partnership is guided by the teachings of the Qur'an and Sunnah.

Allah says: "O you who believe! Protect yourselves and your families from a Fire..."
— (Qur'an 66:6)

The Prophet ﷺ said: "Each of you is a shepherd and each of you is responsible for his flock."
(*Sahih al-Bukhari & Sahih Muslim*)

Parents therefore play a central role in shaping the character, discipline, and spiritual development of their children.

4. Core Principles of the Edugates Parent Partnership
